Southern Cayuga Alma Mater

By: Cathy Mullarney and Pat White

From Owasco on the east; to the west Cayuga's waters;

With our fam'lies and our friends we learn and grow and prosper.

Though we may go far and wide, make our way through life's successes.

In our hearts you will remain - our pride S. C. C. S.

Valedictorian: Primrose Kirk

College: Berklee College of Music

Major: Music composition for film, TV and games

Parents: Kathy and David Kirk

Advice for others: Time management is important, it's something I am still learning. I've spent plenty of nights squeezing in all the work I left to the last minute, but it's much more satisfying to be done early.

What will you miss most about high school? I'll miss being surrounded by my friends everyday. I've been with many of them since elementary school or even younger.

Who was your favorite teacher/class? I have always favored creative classes, two that I most enjoyed are Drawing and Painting with Mr. Bakija and Music Tech with Mr. Veiga.

What do you think is the strength of the class of 2018? We have a very creative and diverse class. Students have chosen a wide range of paths for after high school, including college, vocational schools, military, and the work force. We even have 4 students going into the field of music! I think we will all make an impact on the world in our own way.

Salutatorian: Laura Armstrong

College: Cayuga Community College

Major: Nursing

Parents: Darleen Armstrong and Philip Armstrong, Jr.

Advice for others: Within the past two years, I have endured various medical emergencies. As terrifying as these life-threatening situations were, I held true to my faith and believed in the abilities of those helping me to recover. Although I was frequently hospitalized due to these experiences, and began to fall behind in my classes as a result, I still persevered. Therefore, I am humbly honored to have achieved the recognition of Salutatorian of the Class of 2018. My advice to others would have to be, despite all of the obstacles placed along our paths to success, never give up. Always set goals and achieve them. Since I've overcome so many challenges during my junior and senior years of high school, I am certain that my fellow classmates are capable of setting goals and achieving their dreams, as well.

What will you miss most about high school? Although it's bittersweet, the majority of us will never see each other again after we graduate high school. I will miss my friends and the times we shared together. Nevertheless, I can still take away all of the lessons I have learned here at Southern Cayuga, and cherish the memories I made with all of my classmates and teachers.

Who was your favorite teacher/class? My favorite teacher would definitely have to be Mrs. Davis. Not only does she teach my favorite subject, Spanish, but her bubbly personality always lights up the classroom. She is extremely compassionate towards every one of her students, and she made learning

Spanish a lot of fun. Enriching the classroom with her sense of humor and talking about her beloved alpacas certainly made three and a half years of Spanish with Mrs. Davis a wonderful adventure.

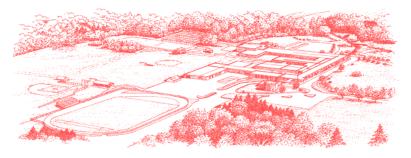

What do you think is the strength of the class of 2018? I believe the strength of the class of 2018 is our dedication, especially to extracurricular activities. We all have our talents and are passionate in our commitment to the arts, sports, or clubs. We have inspired those in our community, achieved scholarships and recognitions for our determination, and discovered the goals we wish to achieve after graduating.

Principal's Message

Dear Graduates.

On behalf of the entire SCCS faculty and staff, I would like to offer special congratulations to the Class of 2018! You have arrived at the end of your journey at SCCS. I hope you have enjoyed all of the experiences along the way and took advantage of all the rich opportunities while attending SCCS. We discussed giving your best effort and setting meaningful goals for the future. It is now time to put your planning into action whether it is for post-secondary studies, the military, or the work force. We watched you grow into young adults and we are very proud of all your accomplishments and contributions while at SCCS. You are a special group and one that will be remembered for many years. John D. Rockefeller Jr. said "The secret of success is to do the common thing uncommonly well." I hope you give your best effort on your chosen path of study and find your secret to success. ~Mr. Carnicelli
