**RE: No Child Hungry**

As you may know, the King Ferry Food Pantry and Southern Cayuga Central School District have a Backpack Program that provides supplemental food over weekends and holidays to students who are identified as being at risk of hunger on the weekends. This is in addition to the governmental program that provides free or reduced-price meals during the school day/year.

For the 2017/18 school year, the Backpack Program may be able to increase their support for qualified students by offering to help with breakfast costs for those who do not qualify for the free/reduced price meal program.

If you believe your student(s) would benefit from this Backpack Program initiative, you must first submit an application for free or reduced-price meals to the district. If you are notified by the district of disqualification, you are encouraged to contact the King Ferry Food Pantry at (315) 497-2049. They will work directly with you to assist in meeting your family's food needs.

If you have questions, please feel free to contact Mary Ferro at (315)364-7111 during the school day for further information.
